

How to download your Excelsior Pass

Step 1: Search epass.ny.gov/home in your web browser

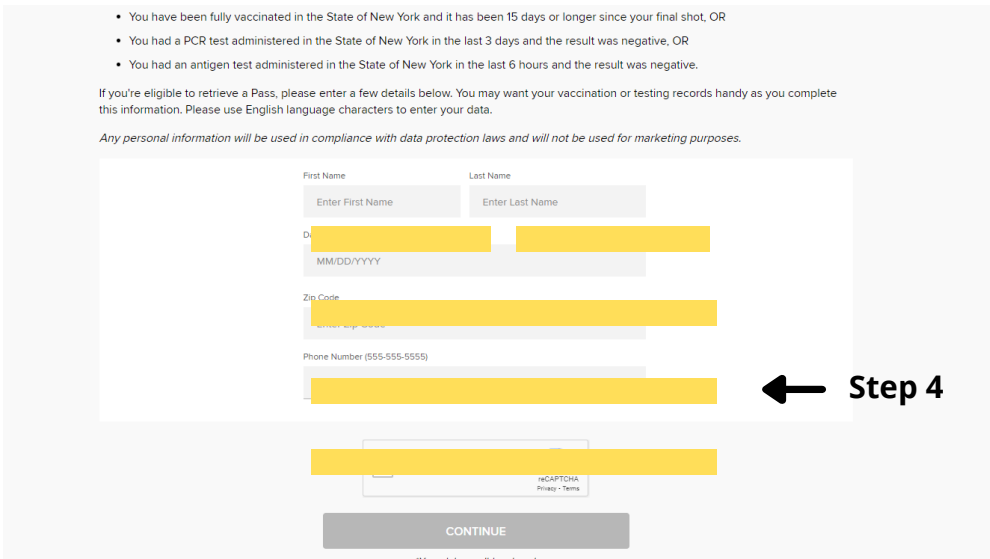

Step 2: Scroll down to where it says "**GET THE PASS PLUS**" and click

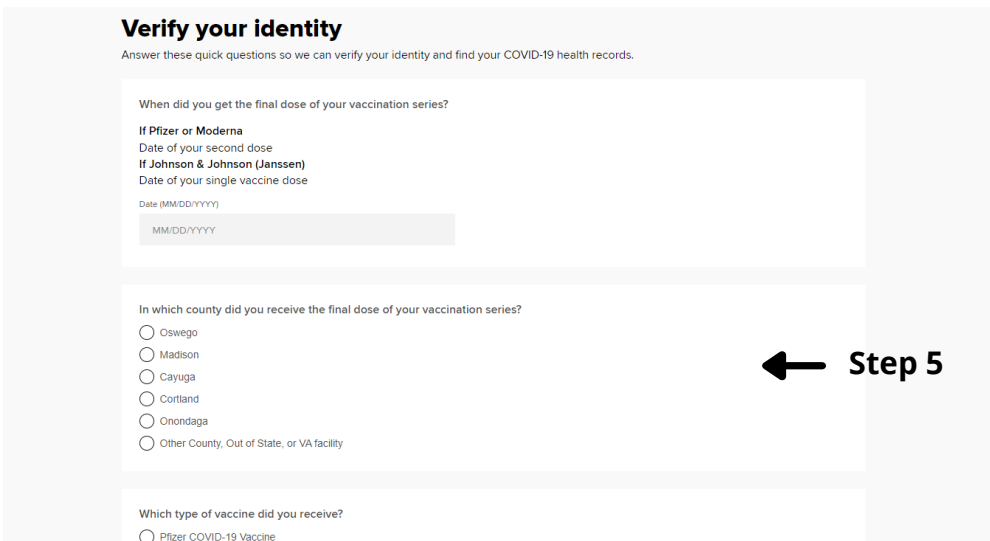

Step 3: Read the NYS Excelsior Pass Authorization to Disclose statement and click **Accept**

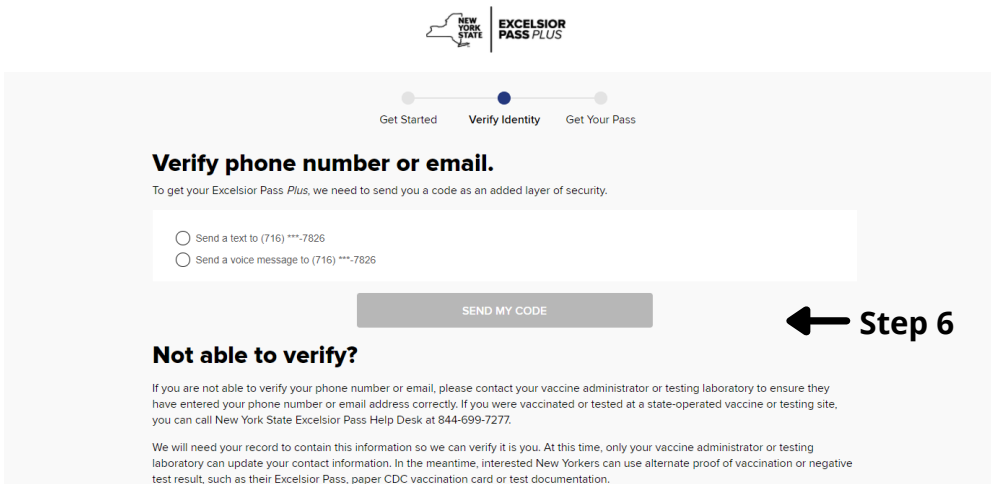

Step 4: Fill in all applicable fields, complete the security check, and click on continue

Step 5: Fill in all applicable fields, complete the security check, and click on continue at the bottom of the screen

Step 6: You must select to receive a text message or voice message with a identity verification code. After you select a text or voice message, enter the code on the next screen.

Step 7: Your Excelsior Pass Plus will then open up in your browser. From there you can print, or upload to a mobile device.
