

How to read the Daily COVID-19 Symptom Tracker

Entering the Classroom

- Please ask students to show you their tracker information for that day upon entering the classroom.
- Check for the student's name in the top right corner.
- Check the center dot color and/or messaging.

RED (Positive) – Do not allow student in class. Have the student contact Weigel immediately.

GREEN (Negative) – Cleared to be in class.

YELLOW (Pending) – Tell the student to call Weigel.

ORANGE (Documented Exposure) – Not eligible to sit in class, Student should quarantine immediately – Call Weigel.

BLUE (Antibodies) – We do not do Antibody testing on campus – Call Weigel.

GREY (Expired) – Info not in system- redo tracker for the day.

BLACK (No Data) – Student has yet to complete the tracker. Complete tracker.

Check for color, health status and date (valid until tomorrow's date)
